

BECKY WERTISH, RN, CNP

CERTIFIED SENIOR
TRAVELZ COMPANIONS

BIO

Becky is owner of Safe Journey Travel Companion Services working in healthcare her entire career with added desire to incorporate her love of travel. Becky is open to trips of all kinds in the air or in the car.

After taking a senior travel companion course, Becky found that she had a passion to help people travel that may need an extra hand in doing so. This may include seniors, disabled, or anyone finding travel a bit difficult. Her healthcare background definitely helps her to understand all of the client's individual needs and provide a safe, caring and helping hand. While based out of Minnesota, Becky can travel from any starting point. She is open to flying as well as road trips. Becky is excited to help clients get to those important family events, relocate or take a short vacation. Her primary goal is to ensure a memorable, safe and stress free trip for each client with personalized care and attention.
