

STARLET CARBINS

CERTIFIED SENIOR
TRAVALZ COMPANIONS

BIO

Starlet Carbins has traveled the country providing nursing services to long-term care, assisted living facilities, jails, hospitals, private home care, pediatric, family medicine, and internal medicine clinics for 11+years. Recently, she has decided to take her talents fully into travel by providing professional companion services for seniors, couples, and business travelers with hidden disabilities.

Starlet's hobbies include travel, golf, tennis, laser tag, and she is a huge football fan! Starlet holds certifications as a health coach, vegan-certified life coach and educator, and CPR.
